

# DEW SALON IS SEEKING CREATIVE, HOLISTIC INSPIRED STYLISTS

Dew salon is opening in the Nurture Wellness Marketplace in March 2020. We are looking to co-create with creative stylists who are inspired by a more holistic approach to hair and wellness.

Dew will be offering **O&M Original Minerals COR hair color**, **Organic Way haircare and treatments**, **Innersense haircare and rituals**, and local and small batch alchemy. We will be exploring and are open to clean product ideas but will be starting with these as our foundation. We will be offering education in O&M Cor color, product knowledge, Hydrodara Flowerfall treatments, curly/textured hair, wellness and so much more. **If you have been wanting to take the leap and switch from your color line to a line that is ammonia free, resinol free, and PPD free**, this is the perfect opportunity.

**If this speaks to you, please send an email to [Dewsalondenver@gmail.com](mailto:Dewsalondenver@gmail.com) and/or call Cindy Koder direct at 303-668-0245.**
